Brand Guidelines

Introduction

Welcome to the TUM.ai Brand Guidelines. This document serves as our definitive compass for navigating and expressing our identity across every project, event, and digital interaction.

Brand Values & Personality

Brand Story & Mission

Mission

To bridge the gap between theory and practice by empowering students to build the future of AI. We combine academic rigor with a "make-it-happen" mindset to solve real-world challenges.

Vision

To be the defining hub for AI talent in Europe, a community where technical precision meets human creativity to shape a responsible and innovative tech landscape.

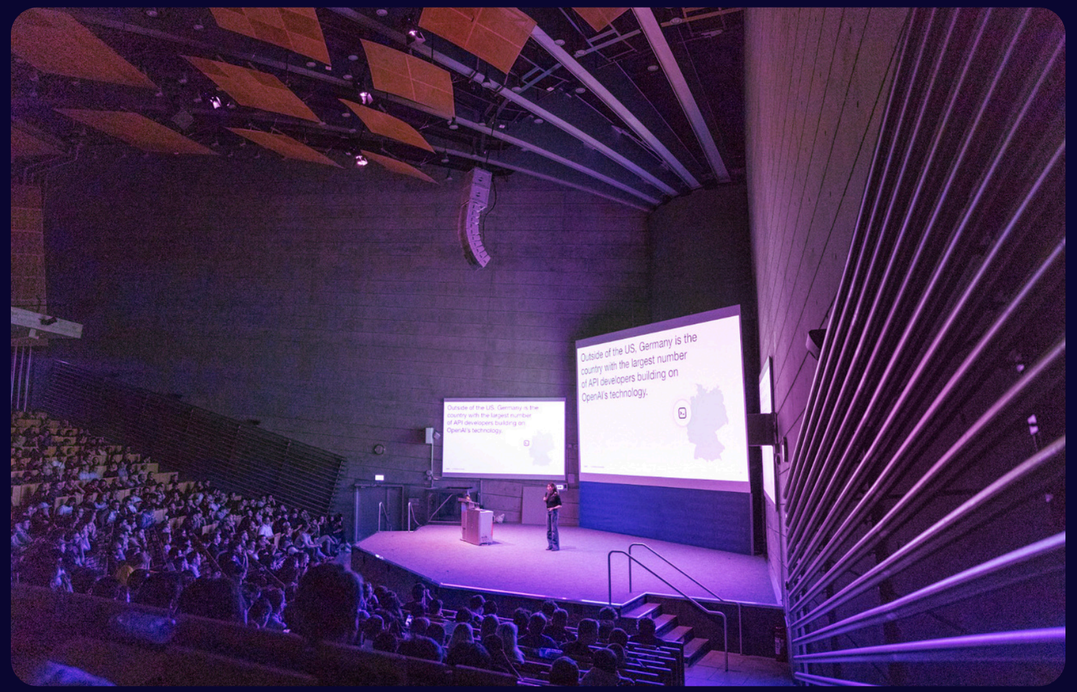
Visual Style



Visual Style

Our photos put you in the room. We capture the energy of a hackathon, the focus of a workshop, and the reality of building something new. It's authentic and human, but always sharp and professional.

Do's

- Use official colors, fonts, and logo styles.
- Keep logo spacing and size correct.
- Use high-quality, on-brand images.
- Use ready to use templates

Don'ts

- Alter or recolor the logo.
- Use unapproved fonts or colors.
- Add effects to the logo.
- Use poor-quality or off-brand visuals.
